## ACCESSORIES

120V AC Power Cord

230V AC Power Cord

Ethernet Cable

Stereo RCA to RCA Cable

Mini Jack to Toslink Adaptor

RC1 Remote Controller

# QUICK SETUP GUIDE

# CELEBRATING 10 YEARS OF #LIVINGHIFI

This Quick Setup Guide will take you through the basic steps to get your NODE X positioned, plugged in, and on your network.

Go to [bluesound.com/downloads](https://bluesound.com/downloads) to download the App. The initial network setup is done using the BluOS App on your phone or tablet. Make sure you have the App downloaded and installed, and your phone or tablet nearby as you get started.

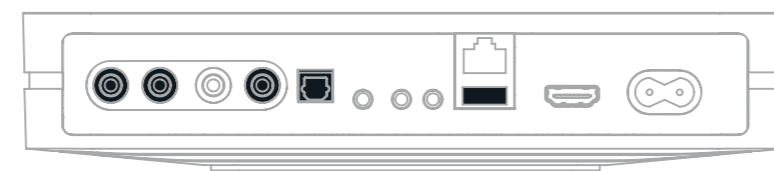

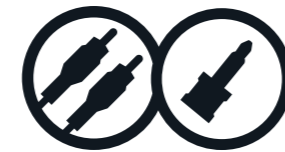

The NODE X online owners manual has even more in-depth information, including troubleshooting tips and tricks. Please visit [bluesound.com/products/node-x](https://bluesound.com/products/node-x) to download the latest version of the manual.

If you have any questions during setup please visit our support site at [support.bluesound.com](https://support.bluesound.com)

## 1 CONNECT FOR SOUND

ANALOG RCA, OPTICAL, USB, OR COAXIAL OUTPUT TO A MATCHING INPUT ON YOUR SYSTEM

Connecting with the Analog RCA output will use the NODE X's internal DAC. Connecting with a digital output (Optical, USB, or Coaxial) will bypass the NODE X's internal DAC.

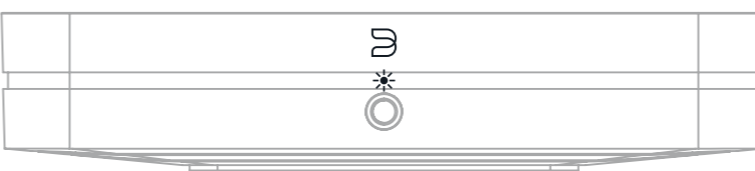

Sortie rca analogique, USB, optique ou coaxiale vers une entrée correspondante sur votre système / Salida analógica rca, USB, óptica, o coaxial a una entrada coincidente de tu sistema / Analoger cinch, USB, optischer oder koaxialer ausgang zu einem passenden eingang an deinem system / Uscita analogica rca, USB, ottica o coassiale ad un ingresso corrispondente sul proprio sistema / Analoge rca, USB, optische of coaxiale uitvoer naar de daarvoor geschikte invoer van uw systeem / Saída rca analógica, USB, ótica ou coaxial para uma entrada correspondente no seu sistema / Аналоговый выход rca, usb, оптический или цифровой выход на соответствующий вход в вашей системе

La connexion avec la sortie RCA analogique utilisera le DAC interne du NODE X. La connexion avec une sortie numérique (optique, USB ou coaxiale) contournera le DAC interne du NODE X. / Conectar con la salida analógica RCA usará el DAC interno del NODE X. Conectar con una salida digital (óptica, USB o coaxial) evitará el DAC interno del NODE X. / Bei Verwendung des analogen Cinch-Ausgang, wird der interne DAU von NODE X genutzt. Die Verbindung mit einem digitalen Ausgang (optisch, USB oder koaxial) umgeht den internen DAU von NODE X. / Il collegamento con l'uscita analogica RCA utilizzerà il DAC interno del NODE X. Il collegamento con un'uscita digitale (ottica, USB o coassiale) bypasserà il DAC interno del NODE X. / Een verbinding met de analoge RCA-uitvoer maakt gebruik van de interne DAC van de NODE X. Een verbinding met een digitale uitvoer (optisch, USB of coaxiaal) zal de interne DAC van de NODE X omzeilen. / A ligação com saída RCA analógica usará o DAC interno do NODE X. A ligação com saída digital (ótica, USB ou coaxial) ignorará o DAC interno do NODE X. / При подключении с использованием аналогового выхода RCA будет использоваться внутренний цифро-аналоговый преобразователь устройства NODE X. При подключении с использованием цифрового выхода (оптического, usb или коаксиального) будет выполняться обход внутреннего цифро-аналогового преобразователя устройства NODE X.

## 2 PLUG IN YOUR PLAYER

WATCH FOR THE LED TO TURN SOLID GREEN, INDICATING 'HOTSPOT' MODE

Branchez votre lecteur / Conecta tu reproductor / Verbinden Sie Ihren Player / Collega il lettore / Sluit uw speler aan / Ligue o seu leitor / Подключите плеер

Attendez que la LED affiche un vert permanent / Espera a que el LED se ilumine en verde / Warten Sie, bis die LED durchgehend grün leuchtet / Attendi la luce LED verde e fissa / Wacht tot het groene ledlampje blijft branden / Espere até que o LED fique constantemente acesa / Дождитесь, чтобы индикатор непрерывно светился зеленым цветом

## 3 ADD YOUR NODE X TO THE NETWORK

USING YOUR PHONE OR TABLET, DOWNLOAD AND OPEN THE BLUOS APP

The 'Add A Player' wizard will guide you through the steps to complete your setup.

[bluesound.com/downloads](https://bluesound.com/downloads)

Ajoutez votre NODE X au réseau / Añade tu NODE X a la red / Fügen Sie NODE X Ihrem Netzwerk hinzu / Aggiungi il tuo NODE X alla rete / Voeg uw NODE X aan het netwerk toe / Adicione o seu NODE X à rede / Добавьте NODE X в сеть

Suivez les instructions affichées dans l'application pour finaliser la configuration / Sigue las instrucciones de la aplicación para terminar la configuración / Folgen Sie den Anweisungen in der App, um die Einrichtung abzuschließen / Segui le istruzioni in-app per completare la configurazione / Volg de instructies in de app om de installatie te voltooiën / Siga as instruções na aplicação para terminar a configuração / Для завершения настройки следуйте инструкциям в приложении
